Lake Buena Vista High School
Frequently Asked Questions

What is my Username?
Your username is the email address that you registered with.

What if I want to play multiple sports or choose to tryout for a different sport later?
If you know you are going to play multiple sports when registering, it is best to add all sports on the first step where you also select the school year and school name. If you are registering for additional sports after completing your initial clearance, log in and click add sport.

What if I have more than one child? Do I need to create separate accounts for each?
No. Once you click on 'Start Clearance Here' in your dashboard, you will select the year and school for whichever child you are completing it for. Then it will give you the option of selecting a current child in your account, or adding another child. All children will then appear in your dashboard. You will have to complete all required steps and documentation for each child.

Where do I upload forms?
Under the files section of the profile. Please see instructions on the first page.

Why haven't I been cleared?
The Athletic Training Staff at Lake Buena Vista High School will review the information you have submitted and either clear or deny each student-athlete for participation. Please allow at least 48 business hours (longer over the summer) for this process. If the student-athlete is cleared you will receive an email stating they are cleared. If something is missing or completed incorrectly, you will receive an email notification stating the student-athlete was denied. The email will also include steps you will need to take to obtain clearance for the student-athlete. Student-athletes are NOT allowed to participation of any kind until they are cleared.

I was "Denied" clearance, now what?
You should have received an email with the reason for denial. Please update your clearance accordingly then resubmit your profile for clearance.

Participation in high school sports is not without risk. The student-athlete and parent/guardian acknowledge truthful answers to the above questions allows for a trained clinician to assess the individual student-athlete against risk factors associated with sports-related injuries and death. Florida Statute 1006.20 requires a student candidate for an interscholastic athletic team to successfully complete a preparticipation physical evaluation as the first step of injury prevention. This preparticipation physical evaluation shall be completed each year before participating in interscholastic athletic competition or engaging in any practice, tryout, workout, conditioning, or other physical activity, including activities that occur outside of the school year.

We hereby state, to the best of our knowledge, that our answers to the above questions are complete and correct. In addition to the routine physical evaluation required by Florida Statute 1006.20, and FHSAA Bylaw 9.7, we understand and acknowledge that we are hereby advised that the student should undergo a cardiovascular assessment, which may include such diagnostic tests as electrocardiogram (ECG), echocardiogram (ECHO), and/or cardio stress test. The FHSAA Sports Medicine Advisory Committee strongly recommends a medical evaluation with your healthcare provider for risk factors of sudden cardiac arrest which may include the special tests listed above.

ELECTROCARDIOGRAM (ECG) SCREENING FORM

Student Information (to be completed by student and parent) *print legibly*

Student's Full Name: _____ Biological Sex: _____ Age: _____ Date of Birth: ___ /___ /_____

School: _____ Grade in School: _____ Student ID: _____

Parent/Guardian: Review the FHSAA EL3 Consent and Release form for details on Sudden Cardiac Arrest. Per §1006.20, F.S. (Second Chance Act), effective July 1, 2026, all first-time high school participants in FHSAA athletics must have an Electrocardiogram (ECG) screening before participation. This applies to students with no cardiac symptoms. Students with cardiac symptoms should consult their healthcare provider. An ECG completed within two (2) years prior to July 1 of the participation year satisfies this requirement. If the ECG requires further evaluation, the student must be cleared by a licensed medical practitioner trained in the diagnosis, evaluation and management of ECGs before participating in FHSAA athletic competition, practice, tryouts, or workouts.

Please complete only ONE section (Section A or Section B, as applicable)

SECTION A: PARENT/GUARDIAN ATTESTATION (Select one and sign below)

☐ ECG completed by Who We Play For, a hospital in the state of Florida, or another healthcare organization and electronically signed by a licensed physician; attach normal result documentation from health record or the email received from provider.

Date of NORMAL ECG Result: ___/___/___ **Organization Performing ECG:** _____

OR

☐ Medical Exception - Attach FHSAA Form ME1

☐ Religious Objection - I object to an ECG for my child based on religious reasons allowed by law

Parent/Guardian Signature: _____ **Printed Name:** _____ **Date:** ___/___/___

SECTION B: LICENSED PRACTITIONER ATTESTATION - ECG Interpretation by healthcare provider

In accordance with §1006.20(2)(c), F.S., I certify I am a licensed practitioner (Ch. 458, 459, 460, 464.012, 464.0123 F.S. or equivalent) familiar with the "International Criteria for ECG interpretation in student-athletes". If the ECG is normal, complete the section below. If further evaluation is required, the student should be referred to a practitioner trained in the diagnosis, evaluation and management of ECGs.

☐ Normal ECG (no additional evaluation required)

☐ Normal variant ECG based on the International Criteria (no additional evaluation required)

☐ Further evaluation by a licensed medical professional is required, and an EL1/2S must be completed

Provider Signature: _____ **Printed Name:** _____ **Date:** ___/___/___

Please retain a copy for your records.

CARDIOLOGY REPORT: ELECTROCARDIOGRAM (ECG) CLEARANCE

Parents/Guardians: An ECG screen (also referred to as an EKG) can help identify young athletes who are at risk for sudden cardiac death, a condition where death results from an abrupt loss of heart function. An ECG screening may assist in diagnosing several different heart conditions that may contribute to sudden cardiac death. In accordance with School Board Policy JJ: Extracurricular Activities, The School Board of Orange County, Florida is requiring each student athlete wishing to participate in high school athletics to have 1 electrocardiogram (ECG) screening prior to participating in his or her first athletic sport in high school. **The initial ECG may be completed by any licensed physician, including a primary care physician, pediatrician, licensed physician assistant, or certified advanced registered nurse practitioner. If the ECG comes back ABNORMAL, the student may only participate after being cleared by a cardiologist or a pediatric cardiologist.**
